

A CLEANER HOME, A HAPPIER PET

We use specialised equipment and pet-safe products to remove hair, stains, odours and germs for a deeper, healthier clean.

**Pet-safe
products**

**Powerful
equipment**

**Deeper
results**

THE EQUIPMENTS WE USE

Powerful tools, designed for a deeper clean and a healthier home for you and your pets.

01

Heavy-Duty Core

Advanced extraction technology with anti-hair-wrap functionality.

Why we use it

- ✓ Deep-cleans carpets & upholstery
- ✓ Removes pet hair, dander & dirt.
- ✓ Helps extract pet-related odours

Precision Extractor

Cordless cleaning for embedded pet hair & hard-to-reach areas.

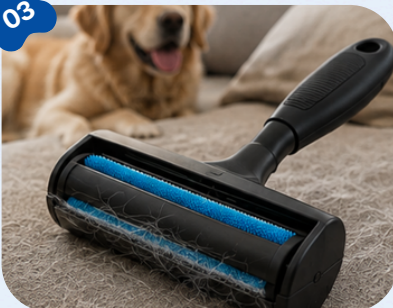

Why we use it

- ✓ Targets hard-to-reach areas
- ✓ Lifts embedded hair, dirt & stains
- ✓ Ideal for upholstery & mattresses

02

03

Pet Hair Remover Roller

Electrostatic bristles help lift stubborn pet hair from furniture.

Why we use it

- ✓ Lifts stubborn surface-level pet hair
- ✓ Works across sofas & cushions
- ✓ Prepare surfaces for deeper clean.

THE PRODUCTS WE USE

Pet-safe solutions, carefully selected to deliver a deeper clean where it matters most.

01

Bio-Enzymatic Odor Eliminator

Targets pet-related odours at the source.

Used for:

- ✓ Pet urine & odours
- ✓ Carpets & upholstery
- ✓ Hard & soft surfaces

02

BioKleen Bac-Out

Breaks down fresh pet stains and odours.

Used for:

- ✓ Fresh urine & vomit
- ✓ Pet stains & odours
- ✓ Carpets & furniture

03

Anovet Disinfectant Spray

Targets pet-related odours at the source.

Used for:

- ✓ Surface sanitisation
- ✓ High-touch areas
- ✓ Pet-contact surfaces
