

PREMIUM DEEP CLEANING SERVICE OPTIONS

Deep cleaning is a thorough and intensive process that removes deep-seated dirt, dust, grime, and other particles, providing peace of mind and improving your home's environmental quality. Whether you're moving into a new home, moving out, or if you're simply looking to refresh your current living space, we've got you covered with our deep cleaning options.

Premium Deep Cleaning (Furnished)

Premium deep cleaning is a comprehensive cleaning service that involves specialized techniques and equipment to deep clean all rooms, surfaces, cabinets and items in your home.

- In-depth 26-point deep cleaning checklist, covering bedroom, living room, toilets, kitchen, flooring, and balcony
- Dust and wipe the inside of cabinets and drawers
- Steam clean and descale all sinks, toilets, shower/tubs (accessible areas)
- Dust and wipe down all surfaces, including baseboards, window sills, and light fixtures
- Remove external grease and oil marks
- Vacuum and mop the floor area where accessible with our Italian made dry and wet HEPA vacuum for efficient cleaning

**Furniture deep cleaning and sanitization is not included in this service

Premium Deep Cleaning (Unfurnished)

Our premium unfurnished deep cleaning service ensure that your space is thoroughly cleaned and sanitized for a pristine and inviting living environment before moving-in or after renovation.
